

House

Solar Panels on House During Drive

8:25am Monday, October 20th Sou

I pass this house every day on my way to work. The solar panels help use the sun to get energy and humans help make this resourceful for others.

Church

Life Stream Church

10:50pm Sunday, October 12th Northeast

Every Sunday, I attend Life Stream church in the middle of Allendale. Here, people from the community come together and help collect funds for others (Relative Location, Human Environment Interactions).

Camp

Great Escape Summer Day Camp

1:50pm Friday, August 8th East

This summer, I had the opportunity to work at a Christian summer camp a mile away from my house. It was located at 1627 W Lakewood Blvd in Holland, Michigan (Absolute Location).

Football Game

West Ottawa Football Game

7:50pm Friday, September 19th East

I find myself at a lot of football games during the fall supporting the teams and bands. West Ottawa's field is next to Family Fare (Relative Location).

Vacation

Niagra Falls

4:10pm Thursday, June 12th South

For a family vacation, we stopped by Niagra Falls on our trip. Here, we saw boats transporting people, goods and water as well as a region that is beautiful at all times of the day (Natural Region, Movement).
